Jim, I suggested a couple tweaks and made some unauthorized changes to the formatting that we probably could get away with. Let's see what Beth, TCC, TRO-9, and TPE-30 have to say. It's so very difficult to keep to one page, but I think you captured the heart of the issues as they stand at this moment. Susan

Susan:
Here's a draft that you might want to look at before I circulate it for comment.

Jim Ryan--would you please take the lead on this and circulate a draft within the NS Team HQ and Regional staff by Friday noon so we can finalize by Monday? You may want Jim Barr to draft the NEPA status section and Ray Sukys to draft the FAA status section.

Jacqui--Could you please identify the form (Formal Info Memo to OST (1 ½ pages) or OST Briefing One Pager) that you want us to use for this briefing?

Per the Administrator's request, this will need his sign-off before it goes to OST.
